APPLICATION

monta pack 303 is an adhesive tape for multiple application and ensures the closure of lighter to medium heavy cartons. Because of the backside coating it is easy to unwind and especially suitable for the application with packaging machines.

PROPERTIES

- high tensile strength in longitudinal and cross direction
- high adhesion and holding power on various surfaces
- resistant to diluted acids and alkalies
- temperature resistant: short term up to approx. +60°C
- easy to unwind
- suitable for recycling processes
